Report of Principal and School Improvement Council

Richmond Drive Elementary equips students with the skills, character and experiences in order to positively impact the world. The school focused on four goals throughout the year. First, teachers spent time writing common pre- and post-assessments in math in order to better collaborate on their teaching and student learning. Homeroom teachers met frequently to discuss how students made progress. They made constant changes about reteaching and regrouping student to improve achievement. Second, all teachers developed lessons to integrate technology in their instruction. All students had access to an iPad. In kindergarten through third grade, each class had five iPads and fourth and fifth graders each had an iPad to use. All staff members sought better methods to teach students using the available technology. Third, RDES worked to improve communication with parents about expectations for learning. Parent meetings for every grade level were held at the beginning of the year so parents could know what their child needed to know and how grades would be reported each nine weeks. Parents were surveyed throughout the year to determine our effectiveness as a school. Fourth, RDES took the next steps in world language instruction. Every child continued to receive daily instruction in Spanish in an immersion fashion. For the second year, Ms. Su taught a lesson during related arts time on Chinese Language and Culture. The partial immersion Spanish program expanded from kindergarten to first grade. These four classes learned all their math and science completely in Spanish. Richmond Drive is proud of their Science Bowl Team and Battle of the Books Team that competed in district competitions. Students and teachers worked hard to prepare for these contests and are to be commended for their effort.

Richmond Drive focused on the character of students in many ways. Each month, students were recognized in the Terrific Kids program for exemplifying one of the core beliefs of the school. Each child demonstrated one way he or she made a difference in another person's life. As a result, he or she could sign the Difference Maker Wall and receive a Difference Maker t-shirt. Stories were highlighted each week how students and families made a difference. A photo display was made to show examples of student and faculty volunteerism. Every day children told stories how they made a difference. Students, parents, and faculty members worked this year to understand "What is too much?" and how we can give away when we have too much.

Children enjoyed many positive experiences which made a difference in them as well. Students went on field trips to zoos, farms, and museums. Fourth graders went to Camp Thunderbird. Fifth graders visited the Velodrome and Riverwalk and some learned to ride a bike for the first time. Many grade levels walked to local restaurants and parks to celebrate student achievements. Students traveled to Charlotte, Columbia and Charleston in addition to Brattonsville and the Carroll School. Third graders experienced environmental lessons at Camp Cherokee and fourth graders learned to swim at the Natatorium. All students were provided experiences that gave them a wider perspective and increased their confidence.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81.5
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Richmond Drive Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
